Report :** In Agenda

**Treasurer's
Report :** Read out to the room. The total balance stands at £3305.93

SAC Councillor's Report – Deferred

(FHMCC Feb Mins Cont)

Place Plan – SAC Officers Kenny Dalrymple and Audrey Gatt

The February meeting was taken up in entirety with a review of the Ayr East Place Plan.

Kenny Dalrymple provided an overview of the Place Plan in general and this was followed by a round table discussion regarding improvements to Glencairn Park – it was noted that the installation of solar lights at the Mugga and along the Centre Path is complete and work is underway to improve the paths. Plans for Castlehill Woods improvements – naming trees, re-instating the Children’s play area and path improvements have not yet begun.

There was a lengthy discussion of the proposed room build to the rear of Forehill Library and to what purpose this room could be used. Comments were made regarding the viability of using some funds to enhance the North Hall at Castlehill Church. This hall is widely used by the Community and it was felt that some upgrading would encourage more groups to take advantage of the facility. Kenny will make further enquiries regarding this and will update us at a future meeting.

Audrey began a read through of the People Survey results for Ayr East so that the details could be agreed by the Committee. This is a large report and while inroads were made, it was not possible to complete the review in one sitting. It was decided to hold an interim meeting on 10th March at 7pm when it is hoped to complete the survey overview.

Further updates on the Place Plan progress will be published in future minutes once the survey overview has been completed.

Round Table discussion / Any Other Business (AOB) - Deferred

Date of Next Meeting

- The next meeting is scheduled for 31st March, 2026, Kyle Academy at 7pm
